Section	Sub-Section	Time	Questions
Part A: Foundation Section Total Time: 75 Mins Mandatory for Ninja Profile	Numerical Ability	25 Mins	20 Ques
	Reasoning Ability	25 Mins	20 Ques
	Verbal Ability	25 Mins	25 Ques
	Part A:	75 Mins	65 Ques
Part B: Advanced Section Total Time: 115 Mins Mandatory for Digital and Prime Profile	Advanced Quants + Logical	25 Mins	15 Ques
	Advanced Coding	90 Mins	3 Ques
	Part B:	115 Mins	18 Ques
Total		190 Mins	83 Ques

Foundational Section(75 minutes & 65 Questions)

Section	No. Question	Topics	Duration
Verbal Ability	25	- Sentence Completion - Words Completion - Reading Comprehension - Para jumbles - Error Detection - Sentence Building - Idioms & Phrases	75 minutes(Shared)
Reasoning Ability	20	- Blood Relations - Seating Arrangement - Coding-Decoding - Data Sufficiency - Data Arrangements - Distance and Directions - Statement and Conclusion - Data Interpretation - Syllogism topics - Word Pattern - Letter Series - Number Series	

Section	No. Question	Topics	Duration
		- Directional Sense - Cube Folding, Paper Cuts and Folds	
Quantitative Ability	20	- Clocks & Calendar - Series and Progressions - Equations, Averages - Area, Shapes & Perimeter - Numbers & Decimal Fractions - Number System - LCM & HCF - Percentages - Allegations and Mixtures - Probability - Ratios - Proportion - Averages - Reasoning - Work and Time - Geometry - Divisibility - Profit and Loss - Ages - Speed Distance and Time - Pie Charts	

Section	No. Question	Topics	Duration
		• Mean, Median, Mode, Variance and Standard Deviation	

Advance Section(90 minutes & 22 questions)

Section	No. Question	Topics	Duration
Advanced Quantitative Ability	10	• All of the Numerical Ability topics (Hard)	25 minutes(Shared)
Advanced Reasoning Ability	5	• All of the Reasoning Ability topics (Hard)	
Coding Section	2	• Arrays • Matrix • String • Number Series • Functions • Conversions • Sorting Algorithms	90 minutes

Round 2 (Technical Interview)

If you have cleared the Online test then TCS will contact you for further rounds. In this round, basic coding questions are asked. Some questions on computer science subjects such as DBMS, OS, CN and OOPS can also

be asked. Also, you can prepare for language-specific questions that you have mentioned in the resume.

Managerial Round

This round can have both technical or HR-based questions regarding past internship experience, resume projects, teamwork, etc.

HR Round

This is an average HR round and contains behavioral questions and they discuss with you the compensation. They basically analyze your confidence, communication and leadership quality and check whether or not you are telling any lies.

Possible Job roles you can get after clearing TCS NQT

Aspirant	Possible Job Roles	Degree & Salary Range	Cut-Off for Interview
Ninja Aspirants	• Software Tester • Java/Python Developer • Web Developer	• UG: INR 3.3 lakh • PG: INR 3.6 lakh	• Top 20% scorers (74-94 percentile) • in TCS NQT (Part A+B) shortlisted • for an interview in this category
Digital Aspirants	• Full Stack Developer • Web Developer • Backend Developer • Salesforce • SAP	• UG: INR 7.0 lakh • PG: INR 7.3 lakh	• Top 5% scorers (94-99 percentile) • in TCS NQT (Part A+B) shortlisted • for an interview

Aspirant	Possible Job Roles	Degree & Salary Range	Cut-Off for Interview
			in this category
Prime Aspirants	• ML Engineer • Gen AI Engineer • Cyber Security • Business Intelligence • Data Scientist	• UG: INR 9.0 lakh • PG: INR 11.5 lakh	• Top 1% scorers (99-100 percentile) • in TCS NQT (Part A+B) shortlisted • for an interview in this category

Important Points

- There is no negative marking
